Tariff of charges

Newbury Building Society (NBS) charges borrowers for a number of services and facilities relating to mortgage accounts. This leaflet provides you with a list of charges that will be incurred by borrowers in different situations. This tariff will be revised from time to time under the terms of your mortgage deed. If you need further help in understanding any of the following please contact your local branch or Head Office on 01635 555700. This tariff of charges is effective from 1 January 2016 for all borrowers.

1. Arrears letter	£12	This charge applies to any letter we send to you, your representatives or other connected third parties if your account is one month or more in arrears. When your account first goes into arrears, we do not charge for the initial letter but will do so for subsequent letters required to keep your account up to date.
2. Arrears administration	£60	This charge is payable if your account has been referred to solicitors for legal action and possession proceedings have been started against you. All fees charged by the solicitor are payable in addition to this charge.
3. Change of account holders	£140	This charge covers our costs in transferring a mortgage into different names. This is sometimes called a 'transfer of equity' or 'transfer of title'.
4. Change of term	£50	This charge covers our costs in reducing or extending your mortgage term. It does not apply where we allow a temporary term extension to assist financial difficulty or for a recalculation of term following a lump sum payment exceeding £1,000.
5. Conversion of repayment type	£50	This charge covers our costs in transferring all or part of your mortgage from a capital and interest repayment mortgage to an interest only mortgage, or vice versa. It does not apply where we allow a temporary change to interest only to assist financial difficulty.
6. Deeds photocopy and deeds inspection	£10	This charge covers the costs of supplying copy extracts from title deeds or obtaining up to date details from the Land Registry for you.
7. Deed of variation	£30	This charge is made whenever you request a variation to your existing mortgage terms and conditions, to which we agree. For example, deed of substitution or postponement or a lease extension.
8. Deed release fee	£15	This fee is charged when the title deeds to your property are requested by and sent to your legal representative. This fee is not charged if the request is made for the purpose of redeeming your mortgage, as the cost of this service is included within the discharge fee.
9. Further advance basic administration	£110	This charge is made to cover the costs of our administrative documentation on all further advance applications.
10. Lease approval	£150	This charge covers our legal costs in deciding whether or not to approve a change of lease on a commercial property.
11. Lender's reference	£20	This fee covers the cost of completing a mortgage reference request received from another lender with whom you propose taking out another mortgage.

12. Letting initial approval	£70	This fee is payable when you make an application for consent to let a mortgaged property. All lettings must be completed using Assured Shorthold Tenancy Agreements. Should it be necessary to refer any tenancy documentation to our solicitors, you will be responsible for payment of any legal fees incurred.
13. Letting subsequent approval	£40	This fee is payable when we approve a subsequent letting of your property, for instance on a change of tenants or a change of tenancy agreement.
14. Non-payment of ground rent/insurance	£30	This fee applies to leasehold property where the landlord serves a notice for non-payment of the ground rent or service charge. The ground rent or service charge will also be debited to your mortgage account in addition to this fee.
15. Non-standard account enquiry	£35	This fee is charged when a request is received from you or your representatives for any information held on file, not covered by other fees detailed in this tariff.
