Your tax treatment will depend on your individual circumstances and may be subject to change in the future. For further information go to <a href="http://www.GOV.UK">www.GOV.UK</a>.</li> </ul>	

## Important notes

- Once the full amount for the tax year has been invested into an EMA, additional deposits cannot be made regardless of withdrawals made during the tax year or the balance of the account. For example, if you invest £4,000 in an EMA on 10 December 2016 and then withdraw £500 on 15 February 2017, you will need to wait until the following tax year (6 April 2017) before you can add to your investment.
- You can register with myaccounts, our online service, to view your accounts online, use secure messaging and request online withdrawals to your nominated bank account. Online withdrawal requests for sums up to £5,000 made between 9am and 5pm on Business Days (Monday to Friday excluding Bank Holidays), will be processed on the same day. Requests for sums over £5,000 and up to the maximum £50,000 made between 9am and 3pm on Business Days, will be processed the same day. Requests after 3pm will be processed on the next Business Day.
- Online withdrawal access is not available to accounts with an attorney, nominee or executor. These types of accounts can be opened and operated in branch.
- For more information regarding our online service, electronic payment and CHAPS service see our Savings terms and conditions. These can be accessed in branch and online at [www.newbury.co.uk](http://www.newbury.co.uk).
- There are no charges for the normal operation of this account. See our Savings terms and conditions for more information.
- Account holders will be issued with a Member Loyalty Card enabling discounts and special offers from local traders who participate in our scheme.
- EMA holders are entitled to a £100 cash bonus on top of normal mortgage benefits if they are an existing borrower taking out a new mortgage with us to move home or an investor moving home/remortgaging their main residence to us from another lender.

Gross rate is the contractual rate of interest payable before the deduction of income tax at the rate specified by law.

AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year.
