### Agreement to assign windfalls to charity

Words printed in italics in this section of the application form are explained in the notes below.

- Paragraphs 2 to 6, below, will apply to me unless I am an *exempt customer* at the time when the *account* is opened.
- I agree with the Society that, if the right to any *windfall benefits* is granted to me after the *account* is opened, I will assign those *windfall benefits* to the *selected charity* unless the period between my *account* being opened and the *conversion announcement date* is more than 5 years (or, if applicable, the *shorter period*).
- I authorise the Society and the *successor* to pass any *windfall benefits* direct to the *selected charity* (or to any other charity which the *selected charity* may nominate to receive those benefits), without notice to me.
- I understand that the Society has promised to transfer to the *selected charity* the benefit of the agreement which I have given under paragraph 2, above; neither the Society nor the *selected charity* will release me from that agreement; and any power of the Society to change the terms of its contract with me will not apply to any of the terms set out in this section of the application form.
- I authorise the Society to give the *selected charity* any information about me or any account which I have with the Society (now or in the future) - but only if the *selected charity* reasonably needs it regarding the agreement I have given under paragraph 2, above.
- I understand that the Society will require anyone who opens a share account (who is not then an *exempt customer*) to agree to assign to charity the right to any *windfall benefits* to which that person may become entitled. The terms of the agreement will be decided by the Society and may be different from the terms in paragraphs 1 to 5, above. This paragraph will no longer apply if the Society publishes a notice in the press of a decision by the Society that it will no longer require new shareholding members to enter into such agreements.

- A *windfall benefit* is a benefit which a person has the right to receive as a shareholding member of the Society, under the terms of any future transfer of the Society's business to a successor (i.e., on a conversion or take-over), other than:- the replacement of savings in a share account with the Society with savings in a deposit account with the successor, or any benefit which the Society has decided may be kept by a person who has a number of accounts and was an exempt customer when opening one or more (but not all) of them. A list setting out the conditions which determine whether, and to what extent, such a person may keep a benefit is available from the Society at any time. These conditions may be altered by the Society from time to time, but no alteration will apply retrospectively.
- Where more than one of you is signing this form, paragraph 1 and (if applicable) paragraphs 2 to 6, above, apply to each of you separately.
- If the Society no longer exists following a merger with another building society, paragraphs 2 to 6, above, will still apply between you and the other society.
